## Read a document out loud?

You can have the pdf documents in this section read out loud to you using Adobe Reader, first open the document and re-save it within Adobe Reader. To do this, click on 'File' on the menu bar and 'Save'. Then re-open the document using Adobe Reader and click on 'View' on the menu bar. Towards the bottom of the list there is an option 'Read out loud'. You will need speakers on your computer in order to hear the document.

If you do not have Adobe Reader installed on your machine, please visit the [Adobe website](#) to obtain a free download.
